REASONS FOR ALLOWANCE

Claims 12-15 and 18-19 are allowed.

1. The following is an examiner's statement of reasons for allowance:
2. Regarding claims 12-15, the prior art of record fails to teach or suggest a series of neutral coils located adjacent the superconductive coil for fault current limiting neutral faults in the electrical network in combination with other limitations recited in the claims
3. Regarding claims 18-19, the prior art of record fails to teach or suggest wherein the superconductive phase fault current limiters and the superconductive neutral fault current limiter share the same superconductive coils thereby allowing a single superconducting coil to magnetize the common core structure in combination with other limitations recited in the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
